Let Kiki de Montparnasse spice up your stay at the Mondrian Hotel

December 21, 2009 | 6:00 am

The Mondrian Hotel on the Sunset Strip is reloading its RELOAD retail series with a Kiki de Montparnasse pop-up shop...

Kiki de Montparnasse, which debuted its romantic concept shop in New York's SoHo, carries bath and body goods with natural aphrodisiacs along with vintage erotica and gifts such as 24-karat gold handcuffs...

The Mondrian's interior designer Benjamin Noriega-Ortiz had a hand in the Kiki de Montparnasse temporary boutique with touches such as a black feather pendant light, mauve pillows and French toile wall coverings.

The Kiki pop-up will also carry a hotel-appropriate lounge collection that can go from poolside to an evening dinner.

The Mondrian will offer special Kiki de Montparnasse packages starting this holiday season through Valentine's Day.
